Dear Mr. Brown:

Thank you for our letter of April 17.

My letter of June 2, 1989 was answered by Dr. Hauser's successor, Marie Fortier, on July 19, 1989. Her reply added nothing to what the Department had already said in Mr. Epp's letter to Mr. Yalden of August 3, 1988..

My recollection of the timing is not clear, but it seems to me it was at that point that we set up a meeting with Mr. Hickman and Dr. Losos of Health and Welfare, which prompted an initial gathering of professionals and others late in 1989 and eventually to the Environmental Sensitivities Workshop of May, 1990.

As we discussed on the phone, I plan to draw the attention of our colleagues in the Regional Offices and in the provincial Human Rights Commissions to the workshop findings and encourage them to give them as much play as possible and take them into account in their ongoing compliance work.

Yours sincerely,

Stuart Beaty
